Dear Michael,

Sale of Sanderson Consultants

I want to express my sincere appreciation for the professional services you provided throughout the entire process of selling Sanderson Consultants.

I am grateful for the way in which you communicated with me, and guided the negotiations with the buyer. Your candid and sincere advice, delivered in a manner mindful of my position as the founder and sole owner of the business, was very helpful.

I would be pleased to elaborate on my experience with your services to any person with whom you may wish me to communicate.

Yours sincerely,
